BABY BOOMERS TO COMPETE IN TUCSON IN 1997

As the US National Senior Sports Organization steams into the 1996 qualifying year, we are excited to announce that for the first time, competition at the US National Senior Sports Classic-The Senior Olympics will be open to those athletes age 50-54. This age group represents the leading edge of the enormous number of baby boomers who will be swelling the ranks of older Americans in the next 10 - 15 years.

The USNSO Board of Directors, encouraged by approval from the individual USNSO State Senior Games, authorized the inclusion of the 50-54 age category at the most recent board meeting in Tucson in October. "We are pleased and excited to welcome this new group of athletes to our event and organization," said Ernesto Ramos, Chairman of the USNSO Board. "We expect that they too, seeking a healthier life style, good nutrition and planned exercise will become participants in the Senior Games throughout the United States."

USNSO Heads to Tucson Under New Leadership

As the USNSO heads into the next biennial period, it does so under new leadership. Ernesto Ramos was elected Chairman at the 1995 US National Senior Sports Classic in San Antonio, Texas. Ernesto started the New Mexico Senior Olympics in 1979, and has served on the USNSO Board since 1990.

Ernesto is the New Mexico Director of Corporation for National Community Service (AMERICORP) and former state director of the New Mexico Agency on Aging. A former semi-professional baseball player and manager, Ernesto was elected to the El Paso Baseball Hall of Fame in 1992.

"I would like to see a doubling in the number of participants at the local and state level by strengthening local and state organizations," Ernesto commented. "Currently we are just scratching the surface."

Leading the headquarters in St. Louis is Linda Heikkila. Linda was named Executive Vice President & Chief Operating Officer by the USNSO Board at the October Board Meeting in Tucson. Linda joined the USNSO in 1986, and has most recently served as the organization's Administrative Director. Many of you who have attended any of the Senior Sports Classics have spoken to Linda at some point.

In addition, Jeff Jones has been appointed Administrative Manager, Lena vanHoornbeek has been hired as Athlete Services Coordinator and Esther Probst has been hired as Administrative Support. Jeff has been with USNSO since joining as an intern in 1991, and served as Communications Supervisor. Lena will be handling the qualifying and entry information for the Senior Sports Classic as well as helping to develop the computer system for USNSO.
