If the game is still tied at the end of the first overtime period, a second and final overtime will be played with a sudden-death format; the first teams to score will win.

H. DETERMINING WHO QUALIFIES
NSGA qualifying games are responsible for determining qualifiers at their games and for advising the NSGA who has qualified. NSGA qualifying games that permit and encourage participation by out-of-state residents are classified by the NSGA as “open.” (Note: This should not be confused with “limited” events.)

Each event allows for a specific number of qualifiers. If out-of-state residents qualify at an “Open” qualifying games, they will not take away a qualifying spot from a state resident. “Open” games may qualify the number of state residents specified for each event in addition to the out-of-state qualifiers. The NSGA definition of an athlete’s state of residence is that state in which the person resides for at least six months out of the year.

All Doubles teams made up of one in-state and one out-of-state athlete will be designated as an out-of-state team. Competition must take place to determine qualifiers. If there is only one individual entered in an age group, that athlete must enter and complete the event in order to be given the gold medal and to qualify for the National Senior Games. Athletes should be placed in the age division nearest their own in order to compete. Competition for the athletes in this “closest age division” shall be considered exhibition.

If there is only one team entered in an age division, that team should be given exhibition opportunities with the closest age division. No team shall be qualified without participating in a qualifying game.

The NSGA shall determine whether an athlete has met the qualifying criteria for “limited” sports events.

Athletes may also qualify by meeting or exceeding the Minimum Performance Standards (MPS) in Archery, Golf, Race Walk, Road Race, Swimming and Track & Field at a 2021 qualifying games. Athletes must meet or exceed the MPS based on their age in the 2021 qualifying year. In general, the MPS is based on the time, distance or score of the 6th place finisher from the previous National Senior Games, plus or minus 10% (Plus as of 03.04.2021
10% for timed events; minus 10% for distance and scored events). If this formula would relax the MPS, a change will not be made and the previous MPS will continue to be used. An MPS will not be changed by more than 10% per Games. MPS shall decrease or be equal in difficulty as age division’s increase. The NSGA reserves the right to use judgment based on experience when setting the standard, therefore, a standard may not always match the formula if applied to the results of the most recent National Games.

I. NSGA DEFINITION OF A PROFESSIONAL
Professional athletes shall not be eligible to compete in the National Senior Games in the sport in which they are a professional until 20 years after the date they last competed as a professional. They may compete in other sports in which they have not competed professionally.

A professional is someone who competes in a sport for money as a primary source of personal revenue. People who compete in a sport in which minor amounts of money are given as prizes are not deemed professionals. Individuals whose primary activity is teaching a sport but occasionally play for a minor amount of money is also not deemed professionals.

The NSGA shall have the final authority to determine who is deemed a professional for the purpose of competing in NSGA events. The NSGA reserves the right to determine professional status based on established National Governing Body (NGB) standards and professional competition history.

4. Officials do not put the ball in play, except at the start of each half. The referee will handle the rebound of the first free throw (first and second free throws if three shots are being taken) and then will not handle the ball after the last free throw.
5. Scoring and Timing Regulations:
   a) Playing time shall be two halves of 15 minutes for all age groups. There shall be a continuously running clock with an intermission of five minutes for half-time. In the last two minutes of each half, the clock will stop in accordance with normal basketball rules. The clock also stops after a made basket during the last minute of the second half.
   b) A tie score at the end of regulation time will result in a three-minute overtime period. During the first overtime period, the clock will stop in accordance with normal basketball rules; and after a made basket during the last minute. If the game is still tied at the end of the first overtime period, a final overtime will be played with a sudden-death format; the first team to score will win. Ball possession will be determined by a coin flip for each overtime period. There will be a one-minute intermission before each overtime period. All individual and team fouls carryover into overtime.
   c) Two time-outs are permitted per team, per half. Time-outs do not carryover from one period to the next. If a game proceeds to overtime, each team shall receive no more than one additional time-out, regardless of the number of overtimes. Time-outs shall be 60 seconds in duration. The clock will not run during time-outs.
   d) Three point shots are allowed. The three-point line distance for both men and women will be 19 feet, 9 inches.
   e) A five-second closely guarded violation may be called against an offensive player with the ball when that player is closely guarded for five seconds or more, and does not pass, shoot, or dribble within that time. To be considered “closely guarded”, a defender must be in a defensive position and located within six feet of the player. The count applies to any player who is holding or dribbling the ball.
6. *Throw-In Area and Ball In & Out of Play:* 
   a) The game shall be played using the three-point line as the “check line.” The ball shall be returned to a point behind the check line after each change of possession as follows:
   b) After a made basket and all dead ball situations, the ball shall be placed in play from the top of the key (“throw-in area”). The ball must be advanced into play by means of a pass to a teammate. Violation of the throw-in area by the offense results in loss of possession.
   c) After a turnover or defensive rebound, the ball may be returned to any point behind the check line. The player returning the ball behind the check line shall be in possession of the ball with both feet behind the line. The ball does not have to pass behind the 3-point line; only the player’s feet.

If the ball is not put in play within five seconds it shall be a violation, and possession shall be awarded to the defense with no change in the possession arrow.
   b) The inbounding must stay within the designated “throw-in area,” which shall be the space at the top of the key with a width no less than the free throw lane extension area (12 feet wide) and a depth no less than 5 feet from the top of the three-point line.
   c) The defense may defend anywhere on the court, however, no player (offensive or defensive) may enter the ‘throw-in area”, which is considered out-of-bounds.
   d) The inbounding may not hand-off the ball to a teammate.
   e) The inbounding teammates may not enter the three-second lane to receive a pass or set a screen until the inbounding teammate actually takes possession of the ball at the throw-in area; they may cross and exit the lane to reposition themselves prior to the inbound pass.
   f) The 3 second lane count and the 5 second throw-in count shall not begin until the defensive team (now the new offensive team) takes the ball behind the three-point arc.

8. **Substitutions:**
   a) Substitutions may be made after a basket, foul shot, stoppage of play, and any time an official beckons the player onto the court.
   b) Players MUST be beckoned onto the court by the referee. Entering the court without being beckoned will result in a warning from the official; all subsequent violations will result in a technical foul and loss of possession.
   c) Both the offensive and defensive team may substitute after the first free throw of a two shot foul, and after the second free throw of a three shot foul.
   d) The defensive team can only substitute after a made basket or free throw, (when it is the final free throw taken) and ONLY if the offense is substituting at that time. Violating this rule will result in a warning from the official; all subsequent violations will result in a technical foul loss of possession.
   e) On all stoppage of play (i.e., violations such as traveling, double dribble, three seconds, or out of bounds, etc.) either team can substitute as long as they request to sub prior to the inbounder having the ball in the throw-in area.

9. **Fouls and Penalties:**
   a) A player is disqualified on his/her fifth foul. Technical fouls will be assessed in accordance with NCAA rules.
   b) Team fouls carry over into the second half and overtime periods.
   c) Any shooting foul with a missed basket shall result in two free throws (three for a three-point attempt), and the offended team shall retain possession.
   d) Any shooting foul with a converted basket shall result in the basket being awarded along with one free throw, and the offended team will retain possession.
   e) Any player control foul shall result in disallowing a converted basket, recording the foul and a change in possession.
   f) Prior to the seventh team foul, any common foul shall result in loss of possession for the offending team.
   g) All personal and technical fouls shall be counted against a team total (except for unsporting technical infractions—see below). On the seventh team foul, a bonus shall be awarded for the remainder of the game.

10. **Bonus Situations:**
    a) Beginning with the seventh team foul, any common foul shall result in a single free throw plus a bonus free throw if the first free throw is made, and the offended team shall retain possession.
    b) Beginning with the 10th team foul, any common foul shall result in two free throws, and the offended team shall retain possession.

**If a shooting foul occurs during the running time part of the game:**
    a) All players will remain behind the arc and the offense will re-gain possession of the ball, even if the clock goes to the two-minute mark. At that time, the clock will stop until the ball is put in play again from the throw-in area.
    b) All the players behind the arc may cross the arc once the shooter releases the ball. The shooter may cross the free throw line after the ball strikes the rim, flange or backboard or retrieve the ball upon completion of the last free throw.

**During the stopped time portion of the game:**
    a) During the last two minutes of each half, and during any overtime period, the automatic awarding of team possession after free throws does not apply (live rebounding will be in effect)
    b) During live rebounding all players on both teams are allowed to line up along the free throw lane when the free throws are shot.
    c) The free-throw shooter shall not break the vertical plane of the free-throw line with either foot until the ball strikes the rim, flange or backboard or until the free throw ends.
    d) No player shall enter or leave a marked lane space or contact any part of the court outside the marked lane space until the free-throw shooter has released the ball.
    e) If the shooter makes the last awarded free throw, the opposing team will inbound the ball.

11. **Unsporting and Administrative Technical Infractions:**
    a) An unsporting technical infraction shall be when a player, substitute, coach or any bench personnel commit or display any unsportsmanlike behavior as set forth and defined by NCAA guidelines. Penalty for unsporting technical infractions shall be two free throws attempted by any player from the offended team and possession of the ball. Additionally, this technical counts towards the team foul total. Any player receiving two unsporting technical shall be removed from the game. Any unsporting technical called on bench personnel are assessed to the coach as well. Combination of two direct or indirect unsporting technical to the coach will require their removal from the game. Examples of unsporting behavior include taunting and baiting, use of profanity, continuous questioning of official’s judgement, defense breaking the plane of the throw-in area, making contact with the ball or the thrower, just to name a few.

as of 03.04.2021

4. **Length of Games**
The game shall be played to the pre-determined number of (21) points. The first player/team to reach (or exceed) that amount at the conclusion of a frame is the winner.

5. **Distance of Boards**
   Age 50 to 69 – 27 feet front edge to front edge
   Age 70 to 79 - 25 feet front edge to front edge
   Age 80 Plus/Non-Ambulatory - 23 feet front edge to front edge

6. **Cornhole Scoring – Bag Terms**
   Woody – refers to any cornhole bag that has been pitched and remains on the cornhole board playing surface at the conclusion of the frame.
   Cornhole – refers to any cornhole bag that has been pitched and passes through the cornhole board hole at any time within the frame.
   Foul Bags – refers to any cornhole bag that has not been determined as a “woody” or “cornhole” or was designated a foul bag as the result of rules violation.

7. **Scoring**
The method of scoring is “cancellation” scoring, the points of one player cancel out the points of their opponent. Using this method, one player can score in each frame.
   a) Each woody is worth one (1) point.
   b) Each cornhole is worth (3) points.

   **Example:**
   Red achieves one (1) woody and two (2) cornholes during the frame (7 total pts)
   Blue achieves two (2) woodies and zero (0) cornholes during the frame (2 total pts)

as of 03.04.2021
7 points – 2 points = Red scores 5 points for that frame

8. **Recording the Score**
No cornhole bags shall be moved before the scoring is determined. If the decision is in doubt, a Certified Official or Sport Chair shall be called to determine the scoring for the frame in question.
Players are encouraged to pay close attention to the score at all times. Players are required to update their score on the score tower at the conclusion of each frame.

9. **Pitching**
a) Players alternate pitching bags (one player at a time) until each player has pitched all (four) of his/her bags.
b) A player must pitch all (4) cornhole bags from their designated cornhole pitcher’s box.
c) Players must deliver the bag with an under-hand release.
d) One foot or appendage must be completely within the pitcher’s box at the time of releasing the bag.
e) When pitching a bag, players must release the bag before any part of the player’s body touches the ground on or beyond the foul line.

10. **Pitching the Next Frame**
The player/team who scored in the preceding frame shall pitch in the next frame. If neither player/team scores, the player/team who pitched first in the preceding frame shall retain first pitch in the next frame.

11. **Pitching Out of Turn**
If a player pitches out of turn at any time during a frame, their pitch will be considered a Foul Bag and swept from the playing surface.
If the out-of-turn bag affects any bags in play, their opponent has the option of returning all cornhole bags to their original position on the playing surface or leaving all bags as they are.
If the error is not discovered until after two (2) cornhole bags have been pitched, the frame shall continue and be scored accordingly.
If no agreement can be reached a Certified Official shall be called. The official shall either determine the scoring or void the inning and order to be repitched.

12. **Touching Bags Before Frame is Complete**
If any bags in scoring positions are touched by a player, whether intentionally or unintentionally, before all bags during the frame are pitched, the frame is over. The offending team (team who touches the bags) forfeits all remaining bags and tallies the score for the bags they have already thrown during the frame. The non-offending team tallies 12 points as if they had thrown (4) cornholes during the frame.
**IMPORTANT NOTE:** 12 pts. are NOT automatically added to the overall score (scoreboard). The 12 pts. are only used within this specific frame before cancellation.

13. **Time Limits – Pitching and Scoring**

**Pitching** - A player must pitch each cornhole bag within (15) seconds of their opponent's bag coming to rest.
In Singles play, once the final bag comes to a rest, each player has 30 seconds to walk to the other end pick up their bags, and ready themselves to pitch.
*Exception may be made by the Certified Official or Sport Director considering any physical disabilities or Difficulties.*

**Scoring** - The frame will be scored 5 seconds after the last bag is pitched, comes to rest, and all bags on the playing surface have stopped moving. Any bag that moves in position after 5 seconds be scored based on its previous position. If timing cannot be agreed on, the Certified Official or Sport Chair will score or negate the frame.

14. **Timeouts**
a) Each player or team is allowed two 1-minute time outs per game.
b) A player may only call a time out when it is his/her turn to pitch.

6. **Batting Line Up**: A Team can bat the allowed number of players or the ability to bat any number of players that are available. This must be declared prior to the beginning of the game and indicated on the line-up card.

7. **Runs per inning**: For all pool play there shall be a five (5) run per inning rule, with unlimited runs allowed in the seventh or final inning. For double elimination play in skill divisions III and II there shall be a five (5) run per inning rule, with unlimited runs allowed in the seventh or final inning. For double elimination play in the Div. I skill division there shall be a seven (7) run per inning rule, with unlimited runs allowed in the seventh or final inning.

8. **Mercy rule**: A mercy rule will be in effect for all games. The rule shall be 20 runs after four innings and 15 runs after five innings, or any time a team may not mathematically score enough runs to stay in the game, ending the game.

9. **Homerun rule**: The homerun rule shall be utilized in pool play (round robin) and double elimination play. All teams except those in the division I will play under the 1-homerun +1-up single rule. Teams in the division I will play under the 3-homerun +1-up single rule. The first ball hit over the fence will count as a home run. Subsequent balls hit over the fence by the same team will count as singles until the opposing team has hit a ball over the fence (homerun). Base runners may only advance one base per single over the fence. This rule shall continue throughout the entire game.

10. **Time Limit**: The length of a game will be seven innings or 60 minutes for pool play (round robin) and double elimination games. After 60 minutes the umpire shall announce that teams will finish the current inning and play one more. The last inning shall be played with unlimited runs. This rule is designed to allow 1 hour and 15 minutes for a game, which is ample time to play 7 innings. Tie games after seven innings or at the end of regulation time will continue until one team is ahead after the completion of any subsequent inning using the International tie-breaker rule. There will be no time limit for championship / medal games.

11. **Base Overrun**: Women age divisions 70+ and 75+ can run through 2nd and 3rd base without the possibility of being tagged out unless an attempt is made or a turn toward the next base is indicated.

37

as of 03.04.2021
12. **Courtes runner**: An unlimited number of courtesy runners may be used per inning. A player may only be used as a courtesy runner once per inning (except Women 70+ and 75+ which a player can be a courtesy runner as many times as needed per inning). A courtesy runner may not be replaced by another courtesy runner except for injury causing removal of the original courtesy runner permanently from the game. A courtesy runner on base when it is his/her turn at bat will be declared out as the runner. Another courtesy runner may not be used to circumvent this rule.

13. **Team clothing**: Must be of like design and color. An Arabic whole number (0-99) of contrasting color, or outlined in contrasting color, at least 6 inches high must be visible on the back of uniform shirts. No players on the same team may wear identical numbers. Sponsors may be added to jersey but cannot interfere with number placement. Uniforms shall be free of inappropriate symbols or wording.

14. **Legal Pitching Height**: The ball must be delivered with perceptible arc and reach a height of at least 6’ (feet) from the ground, while not exceeding a maximum height of 12’ (feet) from the ground.

15. **Official Softball**: The men’s divisions will play 12-inch slow pitch (.44 core and a compression rating of no more than 375 psi). The women’s divisions will play 11-inch slow pitch (.47 core and a compression rating of no more than 525 psi).

16. **Bat Rules**: All bats with a *BPF of 1.21 or less will be legal for play. All bats used in play must be stamped with a BPF of 1.21 or less, and must have either a manufacturer installed non-slip grip surface, or a minimum of one wrap of tape. Bats without the BPF stamped on the bat will be considered illegal. A bat is not required to bear an USA Softball certification mark.

   **Note**: this rule is an approved exception to the USA Softball bat policy and will be utilized in state qualifying games and the 2021 National Senior Games. All bats models approved for senior play by ISA, ISSA, SPA and SS-USA will be allowed for tournament play in NSGA.

17. **Field Dimensions**: State qualifying games and the 2021 National Senior Games will utilize a double first base, second home plate, 30-foot commitment line between third base and home plate and a 6 foot pitching box. A field diagram with dimensions is included in the USA Softball rulebook (with the exception of the 6 foot pitching box and strike zone mat). If in the National Chair’s and tournament director’s discretion, such an adjustment is feasible, base paths will be 70’ for men’s age divisions 50 to 65+. The base paths will be 65 feet for men 70+ and all women’s age divisions.

Appendix A
QUALIFICATION FOR THE NATIONAL SENIOR GAMES

An athlete may qualify for the National Senior Games in several ways. An athlete can qualify by place or meeting the minimum performance standard for the event in their age division at a NSGA qualifying Senior Games. An athlete participating in a game that allows out-of-state people to enter may also qualify through a process known as qualifying down. In power walk, race walk, road race and the cycling road races an athlete may qualify through reciprocal qualification. Reciprocal qualification automatically qualifies an athlete in a second event when they qualify in a similar event. Finally, if certain circumstances exist an athlete may qualify using the limited opportunity rule. Since qualifying for the limited opportunity rule requires submission of a request form and written proof of performance these qualifiers are identified by the NSGA staff.

QUALIFYING BY PLACE
Prior to the beginning of the qualifying year the National Senior Games Association Board of Directors specifies the number of places that will qualify. The number of qualifying places is not the same for all events; for example, the 2021 qualifying year (qualifying for the 2022 summer National Senior Games) in most events the top four places qualify. But in tennis only the top three places qualify; in golf only the first place qualifies; in triathlon and hammer all finishers qualify.

Some states require athletes to qualify at a local or regional game in order to participate in their state games. The state games qualifying rules may differ from the national rules. For more information, contact your state qualifying site.

QUALIFYING BY MINIMUM PERFORMANCE STANDARD (MPS)
Minimum performance standards have been established for many of the individual events where the performance can be measured by time, distance, or score. These minimum performance standards are recalculated after every summer National Senior Games. An athlete does not have to meet both the placement and MPS in order to qualify—it is one or the other.

Sports which have minimum performance standards are: Archery, Golf, Race Walk, Road Race, Swimming, and Track and Field. In the sports it's possible to have many qualifiers. If the top 10 participants all meet the minimum standard all 10 qualify. The MPSs are recalculated after each National Game by the NSGA staff and board. These calculations follow an established formula.

QUALIFYING BY QUALIFYING DOWN
State games have the option to be open or closed. A closed state does not allow athletes who are not residents of the state to participate in their games. Open states allow out-of-state participants (OOS) and the qualifying down rule applies to these states. The NSGA sport rules specify that an out-of-state athlete cannot displace an in-state athlete from a qualifying place. In applying this rule if an out-of-state athlete places in a qualifying spot then an in-state athlete can be moved up to a qualifying place.

In doubles events where one player is in-state and one is out-of-state the team is considered an out-of-state team. For basketball, softball and volleyball the team captain must specify the team’s home state.

Closed states define an in-state resident in different ways. One state may consider people who live in a neighboring state but work in their state and in-state resident for senior games. One state established rules that anyone who ever lived or worked in the state would be allowed to participate in the state games.
Application of qualifying down process is best explained through the use of a chart. Example 1: 4 places qualify.

Example 1 shows the top two finishers from out-of-state. Both of these individuals qualify by place. The third-place finisher is an in-state athlete and qualifies by winning third-place but through the qualifying down rule can be awarded an in-state first place. Since the first two places were won by out-of-state people, the in-state participants can be moved up two places. This allows Cindy, who finished fifth overall to be moved into an in-state third place and she is qualified. The same is true for Karen who moved to fourth place in-state.

Example 2 which shows three places qualifying and first second and third places were won by in-state athletes. These are the only three people who will qualify by place in this example.

**RECIPROCAL QUALIFICATION**

In race walk, power walk, 5K/10K road race and cycling, athletes may qualify in a second event by qualifying in a similar event. Specifically, in race walk if an athlete qualifies in the 1500M race walk he/she is reciprocally qualified in the 5K race walk. Reciprocal qualification works the other way also; if the athlete qualifies in the 5K race walk he/she is reciprocally qualified in the 1500M race walk.

Reciprocal qualification works in a similar fashion for cycling events. An athlete qualifying in either of the cycling time trials (5K and 10K) is reciprocally qualified in the other. An athlete qualifying in either of the cycling road races (20K and 40K) is reciprocally qualified in the other.
**BONUS EVENTS**

The swimming qualification rules allow athletes to select certain events as bonus events. The rule is simply this, if an athlete qualifies in a swimming event that has shorter distances using the same stroke then the athlete may choose the shorter distance as a bonus event. For example, if an athlete qualifies in the 200yd freestyle that athlete may choose the 100yd and 50yd freestyle as bonus events. But the athlete may not choose the 500yd freestyle because it is a longer stroke than the one event in which qualified.

An athlete may select bonus events when registering for the National Senior Games but may not exceed the limit of six events in which he/she may enter.

**LIMITED OPPORTUNITY QUALIFICATIONS**

The cycling road races (20K and 40K), pole vault, hammer throw, road races (5K and 10K), triathlon and the following non-ambulatory sports – bowling and shuffleboard are considered limited opportunity events. Athletes may qualify in limited opportunity events if his/her home state does not offer the event. The participation and documentation requirements are different for the different events and are detailed in the senior games rule book. The submitted requests for limited opportunity qualifications are evaluated by the NSGA staff and notices of approval or disapproval are sent to the athletes.
