### **H. DETERMINING WHO QUALIFIES**

Qualifying State Senior Games that are sanctioned by NSGA are responsible for determining qualified athletes from their games and for advising the NSGA who has qualified. Qualifying State Senior Games that permit participation by out-of-state residents are classified by the NSGA as “open.” (Note: This should not be confused with “limited” events or open sports.)

Each event within each qualifying sport allows for a specific number of qualifiers. If out-of-state residents qualify at an “Open” qualifying games, they will not take away a qualifying spot from an in-state resident. “Open” games may qualify the number of state residents specified for each event in addition to the out-of-state qualifiers. The NSGA definition of an athlete’s state of residence is that state in which the person resides for at least six months out of the year.

All Doubles teams made up of one in-state and one out-of-state athlete will be designated as an out-of-state team. Competition must take place to determine qualifiers. If there is only one individual entered in an age group, that athlete must enter and complete the event in order to be given the gold medal and to qualify for the National Senior Games. Athletes should be placed in the age division nearest their own in order to compete. Competition for the athletes in this “closest age division” shall be considered exhibition.

If there is only one team entered in an age division, that team should be given exhibition opportunities with the closest age division. No team shall be qualified without participating in a qualifying game.

The NSGA shall determine whether an athlete has met the qualifying criteria for “limited” sports events (see Rule D – Qualification for “Limited” Events).

Athletes may also qualify by meeting or exceeding the Minimum Performance Standards (MPS) in Archery, Golf, Swimming and Track & Field at a 2026 qualifying games. Athletes must meet or exceed the MPS based on their age in the 2026 qualifying year. In general, the MPS is based on the time, distance or score of the 6th place finisher from the previous National Senior Games, plus or minus 10% (Plus 10% for timed events; minus 10% for distance and scored events). If this formula would relax the MPS, a change will not be made and the previous MPS will continue to be used. An MPS will not be changed by more than 10% per Games. MPS shall decrease or be equal in difficulty as age division’s increase. The NSGA reserves the right to use judgment based on experience when

setting the standard, therefore, a standard may not always match the formula if applied to the results of the most recent National Games.

## **I. NSGA DEFINITION OF A PROFESSIONAL**

Professional athletes shall not be eligible to compete in the National Senior Games in the sport in which they are a professional until 20 years after the date they last competed as a professional. They may compete in other sports in which they have not competed professionally.

A professional is someone who competes in a sport for money as a primary source of personal revenue. People who compete in a sport in which minor amounts of money are given as prizes are not deemed professionals. Individuals whose primary activity is teaching a sport but occasionally play for a minor amount of money is also not deemed professionals.

The NSGA shall have the final authority to determine who is deemed a professional for the purpose of competing in NSGA events. The NSGA reserves the right to determine professional status based on established National Governing Body (NGB) standards and professional competition history.

## **J. UNIFORMS AT THE NATIONAL SENIOR GAMES**

PARTICIPANTS: All athletes must wear athletic-type clothing and shoes that are usual and customary for the sport in which they are competing. Street-type clothing and shoes that are inappropriate may cause disqualification. Competition Managers have been given authorization by the NSGA to make this determination.

TEAM UNIFORMS: Team clothing (shirts, pants, and shorts) must be of like design and color. Basketball teams must have both "home" and "away" uniforms with permanently attached numbers on front and back. Sponsors may be added to the jersey but cannot interfere with number placement. Refer to each sport for specific placement of numbers. Uniforms must be free of inappropriate symbols or wording.

## **K. PROTEST POLICY**

Any person desiring to make a protest with regard to any aspect of competition at the National Senior Games shall make such protest to the National Chair of the competition in question. A protest fee of \$50 cash for an individual or \$100 cash fee for a team and a completed Protest Form must be received within 30 minutes of the conclusion of the game, match, heat, or event under protest. National Chairs will have the blank protest forms. Protests after this time WILL NOT be considered. The National Chair and Director of Operations will evaluate the protest and render a decision. If the Director of Operations is unavailable, another NSGA Director can evaluate the protest and issue a ruling or determine if further input is necessary. If the protest is valid, the \$50/\$100 charge will be reimbursed to the person submitting the protest. If the protest is not valid, the NSGA reserves the right to retain the Protest Fee. All decisions by the NSGA Director of Operations are final and not subject to further appeal.

Judgement Decisions: Players or managers may NOT protest any official's judgement calls.

Athletes found to be filing frivolous or malicious protests with the intent to disadvantage a competitor will be fined \$100 and could result in suspension from participation in future National Senior Games events.

The NSGA may place a cap on the total number of entries for any and/or all sports and/or events in the best interest of games management. At the time this rulebook was printed, the necessary caps had not been determined. Therefore, these rules will serve as a guideline for the NSGA. However, additional modifications may be made in order to meet the necessary caps. Member Organizations will be notified any time a cap or modification is necessary.

The NSGA will not accommodate individual scheduling requests.

## **M. REQUIRED CREDENTIALS**

Any player unable to provide the required credentials on the playing field shall be declared ineligible to compete until he/she can produce them. An opposing team manager may request verification of a player's eligibility. Should a player play and be unable to provide the required credentials he/she or his/her team will forfeit all games in which the player participated. A valid, government issued photo identification card, such as a driver's license shall be the only age and residency proof accepted.

For team sports, all non-playing coaches, non-playing captains and non-playing bench personnel must be credentialed for access to the field of play.

Medals and ribbons will only be issued to properly credentialed personnel. The NSGA reserves the right to revoke any credential at any time.

## **N. SEEDING**

All seeding shall be random except as follows.

1. Track and Swimming heats will be seeded in accordance with standard national governing body procedures.
2. Table Tennis will use USATT rankings to assist in pool seeding if available.
3. Tennis seedings are established by following the USTA "All Factors" method. All rules shall apply as stated in the NGB and NSGA rulebooks. NGB rulebooks in effect the opening day of the National Games, shall govern the 2027 National Senior Games, unless otherwise noted.

In case of conflict between NGB and NSGA rules, NSGA rules shall govern.

## **P. HOW TO SUGGEST A RULE CHANGE FOR SUBSEQUENT GAMES**

Suggestions for rules changes may be made in writing to the NSGA up to 30 days after the 2027 National Senior Games. NSGA rules are reviewed and approved by the NSGA National Games Committee and Board of Directors and are normally published in the early months of qualifying years.

**Q. DEFAULT DURING COMPETITION**

Athletes or teams that forfeit during pool play rounds shall not be permitted to advance to the championship or consolation brackets except where such a forfeit is the result of a verified medical reason, or a good-faith effort was made to compete. Verification by a member of the Games' medical staff of an athlete's injury and capability to continue must be submitted to and subsequently approved by the Competition Manager and the NSGA prior to the athlete being permitted to continue. A good-faith effort to compete will be determined by the Competition Manager and the NSGA.

Athletes or teams that forfeit during championship or consolation play shall not be eligible for awards except where such forfeit is the result of a verified medical condition, or a good-faith effort was made to compete, and does not result in a Did Not Finish under NSGA or NGB rules. Their award spot will be left open and subsequent places will not be moved up. Verification by a member of the Games' medical staff of the athlete's injury must be provided to and subsequently approved by the Competition Manager and NSGA prior to receipt of any awards. A good-faith effort to compete will be determined by the Competition Manager and the NSGA.

**R. ADDITIONAL QUALIFIERS**

The NSGA reserves the right to alter qualifying standards prior to competition.

**S. POLICY FOR GOVERNING DETERMINATION OF GENDER FOR THE PURPOSES OF COMPETITION IN NATIONAL EVENTS**

The following policy shall govern national competition sanctioned by the National Senior Games Association and serve as a guideline for Member Organizations.

The NSGA does not routinely require its participants to provide proof of gender. There may, however, be rare circumstances in which an athlete's gender may be called into question.

In these circumstances, an athlete shall be considered to have provided adequate proof of sex by presenting a certified birth certificate that states the athletes' gender. In the case that a participant is not able to provide a certified birth certificate at the time of the protest, an alternative method of proof may be accepted.

Athletes agree to participate in the gender category that aligns with the sex they were assigned at birth to be eligible for the 2027 National Senior Games.

**T. NSGA ABLE-BODIED ATHLETE POLICY**

The National Senior Games is comprised of multiple sports for "able-bodied" athletes. At the discretion of the NSGA, athletes with physical disabilities may be allowed to compete insofar as any and all handicap devices used by the athlete falls within certain rules and regulations to ensure fairness in competition. The NSGA will abide by the rules of the National Governing Body of the athlete's sport to govern circumstances regarding athletes with disabilities in able-bodied competition for specific sport instances. The use of any technical device that incorporates springs, wheels or any other element that provides the user with an advantage over another athlete not using such a device will be prohibited in athletic competition.

#### **U. NSGA NON-AMBULATORY ATHLETE POLICY**

The National Senior Games is comprised of four “limited” non-ambulatory sports – Bowling, Cornhole, Pickleball and Shuffleboard. The NSGA will abide by the rules of the National Governing Body of the athlete’s sport to govern circumstances regarding athletes with disabilities. The NSGA has the right to modify the rules depending on the abilities of the participants. For the National Senior Games, an athlete who is confined to a wheelchair and unable to ambulate is considered non-ambulatory.

#### **V. NSGA BANNED SUBSTANCE POLICY**

The NSGA does not currently test for banned or performance enhancing drugs. If an athlete is found to be using drugs by any other agency or governing body, they will also be banned from NSGA competitions until the sanction or banned is removed. The NSGA will communicate with NGB’s for a current list of athletes.

#### **W. OPEN SPORTS**

Open Sports are events that do not require qualification at a Qualifying State Senior Games. Open Sports can be re-categorized as qualifying sports for following games if the number of participants and various criteria warrant the change.

#### **X. UNSPORTSMANSLIKE CONDUCT**

Any athlete, coach, captain, non-bench personnel or team that displays unsportsmanlike conduct on or off the playing field or court, including but not limited to abusive/foul language, harassment of tournament officials/umpires, interference during the seeding process may be ejected from the facility and eliminated from the competition.

#### **Y. DISCRIMINATION POLICY**

During the final (2) minutes of each half and any overtime period, the automatic awarding of team possession after free throws does not apply and Live Play/Live Rebounding is in effect.

United States Bocce Federation  
P.O. Box 1605

2. **Equipment:**
  - a. The game is played with a set of eight Bocce balls, of two different colors and a smaller ball, the jack or also known as a pallino or jack.
  - b. The standard size and weight of a bocce ball is 107 mm diameter and 920 grams (approx 2lbs) in weight.
  - c. The standard size of the pallino is 50mm.
3. **Court Specifications:**
  - a. Court dimensions may range from 60' to 91' long and 12' to 15' wide. The official dimensions are 86.92' in length and 13.12' in width.

## 2027 National Senior Games

- b. Foul lines: There should only be one line for pointing and shooting and the recommendation is 13' from the back wall. Players may step on but not have their foot completely over the foul line before releasing the pallino or the bocce ball.
    - c. The playing surface shall be reasonably flat and level and may consist of packed dirt, fine gravel, artificial surface or short grass. Players are to stand inside the court when rolling.
4. **Coin Toss:**
  - a. To begin the game, flip a coin between the captains of each team. The winner of the coin flip will gain control of the pallino. The losing team chooses the color of balls it wants to use.
5. **Pallino Throw:**
  - a. Coin toss winner will throw the pallino first. In subsequent games, the winner of the last game throws the pallino to start the next game.
  - b. Toss is valid when the pallino is placed between the center line and the far foul line without touching either line. The pallino must come to rest at a distance of at least one bocce ball's width from either side wall.
  - c. If the player fails to place the pallino in valid area, the opposing team will put the pallino in play.
  - d. If both players fail, it returns to the original team for an additional attempt. Alternating process continues until pallino is in valid position.
  - e. Once the pallino is in play, the pallino may be knocked anywhere on the court except back over the center line or out of the court. If this happens, the frame is considered VOID, play resumes at the same end of the court, and the same player throws the pallino.
6. **Bocce Ball Throws:**
  - a. Balls must be thrown underhand with palm facing up or down. Volo shooting (lofting the ball in the air beyond center line of the court) is not permitted.
  - a. All balls are thrown from behind the foul line. Players may step on but not over the foul line before releasing the pallino or a bocce ball.
  - b. Players may use side boards at any time.
  - c. A bocce ball that goes out of the court, for any reason, is a dead ball and is removed from play for that frame.
  - d. A ball that hits the back wall without first making contact with another ball or the pallino, is considered a dead ball and will be removed from play for the remainder of that frame.
  - e. Only the team captain will be allowed to approach, but not cross, the center line to look at balls during an inning. Each team captain will be allowed to do so twice per match. Additional looks can be made as long as it is agreed upon by the captain of both teams.
7. **Order of Play:**
  - a. The Team that originally tossed the pallino will play the first ball. If the first ball hits the backboard without hitting the pallino first, the ball is removed, and the player throws again until a ball is in play.
  - b. Each subsequent ball is thrown by the player who does NOT have a ball closest to the pallino. If a player's ball ties the opponent's closest ball, he/she must throw again. The "IN" player (player with the closest ball to the pallino) only throws if the opponent has thrown all 4 balls and may then throw all remaining balls.
  - c. When all balls have been played, this concludes the frame.
8. **Measuring:**
  - a. In the event a ball/balls are moved during a measurement by an official or scorekeeper, the ball(s) will be returned to their approximate position(s) before a ruling is determined.
  - b. Only one person from each team is allowed on the court during measuring.
9. **Ties:**
  - a. In the event of a tie after all balls are played, no points are awarded and play resumes with the team last scoring tossing the pallino from the opposite end of the court.

2027 National Senior Games

10. **Scoring:**

- a. Only one team scores in a frame (unless there is a tie, in which case, no one scores).
- b. Teams are awarded one point for each of its balls that are closer to the jack than the closest opposing team. Thus, a team may score up to four points per frame.
- c. Each game is divided into a maximum of 5 frames OR first to score 10 points, whichever comes first. If the score is tied after 5 frames, one additional frame will be played. NSGA and the Tournament Director reserve the right to change the tournament format.

  - b. Age 70 to 79 - 25 feet front edge to front edge
  - c. Age 80 Plus/Non-Ambulatory - 23 feet front edge to front edge

7. **Scoring**
  - a. The method of scoring is “cancellation” scoring, the points of one player cancel out the points of their opponent. Using this method, one player can score in each frame.
  - b. Each woody is worth one (1) point.
  - c. Each cornhole is worth (3) points.
  - d. Example:
    - Red achieves one (1) woody and two (2) cornholes during the frame (7 total pts)
    - Blue achieves two (2) woodies and zero (0) cornholes during the frame (2 total pts)
    - 7 points – 2 points = Red scores 5 points for that frame
8. **Recording the Score**

10. **Foot Foul**
  - a. A foot foul is called when a player's foot touches the ground on or beyond the foul line before their bag has contacted the board at the opposite end of the cornhole court.
  - b. If a foot foul is witnessed by the opponent, they must call a time-out and notify a Certified Official. The player will not be charged for the time-out.
11. **Pitching the Next Frame**
  - a. The player/team who scored in the preceding frame shall pitch first in the next frame. If neither player/team scores, the player/team who pitched first in the preceding frame shall retain first pitch in the next frame.
12. **Pitching Out of Turn**
  - a. If a player pitches out of turn at any time during a frame, their pitch will be considered a Foul Bag and swept from the playing surface.

## 2027 National Senior Games

- b. If the out-of-turn bag affects any bags in play, their opponent has the option of returning all cornhole bags to their original position on the playing surface or leaving all bags as they are.
  - c. If the error is not discovered until after two (2) cornhole bags have been pitched, the frame shall continue and be score accordingly.
  - d. If no agreement can be reached a Certified Official shall be called. The official shall either determine the scoring or void the inning and order to be re-pitched.
13. **Touching Bags Before Frame is Complete**
- a. If any bags in scoring positions are touched by a player, whether intentionally or unintentionally, before all bags during the frame are pitched, the frame is over. The offending team (team who touches the bags) forfeits all remaining bags and tallies the score for the bags they have already thrown during the frame. The non-offending team tallies 12 points as if they had thrown (4) cornholes during the frame.

- b. 'No Run Zones' are located 5 yards on either side of midfield, and 5 yards prior to the opponent's endzone. 'No Run' Zones are in place to prevent teams from conducting run plays. While in the 'No Run' Zones, teams cannot run the ball across the line of scrimmage. All plays must result in a forward pass across the Line of Scrimmage.

3. **Equipment**

- a. Men's teams will play with Adult-sized balls and Women's teams will play with Youth-sized balls. Ball dimensions will be in compliance with the chart found in the USA Football (5's) Flag Rulebook.
- b. NSGA will provide all flags. Athletes must use the provided flags without modifying them.
- c. Every effort shall be made to keep one flag on each hip of the player. The sockets shall be placed facing outwards and downwards. The flags shall be clearly visible, hang down freely and must not be covered in any way by the player's uniform.

4. **Flag Pulling**

- a. A legal flag pull takes place when the ball-carrier is in full possession of the ball.
- b. Defenders can dive to pull flags but cannot tackle, hold or run through the ball carrier when pulling flags.
- c. It is illegal to attempt to strip or pull the ball from the ball carrier's possession at any time.
- d. If a player's flag inadvertently falls off during a play while that player has possession, the player is down immediately and the play ends. The ball is placed where the flag lands.
- e. If a player who has one or no flags on their belt takes possession of the ball, the play is dead at that spot on the field.
- f. A defensive player may not intentionally pull the flag(s) off a player who is not in possession of the ball.
- g. Flag guarding is an attempt by the ball carrier to obstruct the defender's access to the flags by stiff arming, dropping the head, hand, ball, arm or shoulder or intentionally covering the flags with the football jersey.

5. **Game Play**

- a. At the start of each game, captains from both teams meet at midfield for the coin toss to determine who starts with the ball. The visiting team calls the toss.
- b. The winner of the coin toss has the choice of offense or defense. The loser of the coin toss has the choice of direction. There is no option to defer. Teams will automatically switch sides of the field and the team that started the game with possession will begin the 2<sup>nd</sup> half on defense.
- c. The offensive team takes possession of the ball at its 5-yard line and has four (4) downs to cross midfield. Once a team crosses midfield, it has four (4) downs to score a touchdown.
  - i. If the offensive team fails to cross midfield on 4th down, the ball changes possession and the new offensive team starts at its own 5-yard line.
  - ii. After crossing midfield, if the offense fails to score on 4th down, the ball changes possession and the new offensive team starts at its own 5-yard line.

6. **Pace of Play**

  - b. Because of the No-Run Zone, a 1-point conversion is pass-only. A 2-point conversion can be run or pass.
  - c. Mercy Rule will go into effect when one team is ahead by 33 points. At this time the game will end, unless both teams agree to continue play without changing the score.
8. **Overtime**
- a. If the score is tied at the end of regulation play, an overtime period will be used to determine the winner. Overtime format is as follows:
    - i. Home team calls the coin toss to determine the team that chooses to be on offense or defense first.
    - ii. In the first overtime, each team will have one (1) chance to possess the ball with 4 downs from mid-field to score. At the end of the first overtime period, the team with more points will win. If the defense intercepts the ball and scores, then the overtime period is over.
    - iii. If the score remains tied after the first overtime, a second overtime will be played. The team who lost the first overtime coin toss will choose whether they start on offense or defense for the start of the second overtime.
    - iv. In the second overtime, each team will alternate possessions starting from the defense's 5-yard line for one point or from the defense's 10-yard line for two points.
    - v. The overtime ends when the first team scores.
9. The ball is spotted where the ball is when the flag is pulled.
10. Only 1 forward pass, thrown from behind the line of scrimmage, is permitted each offensive play. The ball must be released prior to crossing the line of scrimmage. There can be unlimited backward passes and direct handoffs but they must occur behind the line of scrimmage.
11. When receiving a catch, A player must have at least one foot or other body part in bounds, contacting the ground first with possession. Stepping on the boundary line is considered out of bounds.
12. The quarterback has 7 seconds, from receiving the snap, to release the ball. If the 7 seconds expires while the quarterback still has the ball, the play is blown dead, a down is lost and the ball is returned to the line of scrimmage as if an incomplete pass occurred.
13. The Quarterback receiving the snap cannot run across the line of scrimmage with the ball. They can hand off or pitch/throw the ball backwards to a teammate and then catch a forward pass across the line of scrimmage.
14. A maximum of 2 designated defensive rushers may legally rush the quarterback. All designated rushers must identify themselves, with their hand raised until the snap, to legally rush starting from 7 yards behind the line of scrimmage. Offensive players must steer clear of the rusher and may not get in his/her way. Designated rushers are not obligated to rush, but if they do, they must rush immediately upon the ball being snapped.
15. Once the ball is handed off, pitched or thrown backwards by the offense, all defenders are eligible to rush across the line of scrimmage.
16. Interceptions are returnable for 6 pts. during regular game play or for 2 pts during conversion attempts and/or overtime. A backwards pass intercepted in the air, behind the line of scrimmage, can also be advanced by the defense for a score.
17. The ball is dead when it hits the ground, the ball-carrier's flag is pulled from their belt or falls out, the ball-carrier steps out of bounds, or the ball-carrier's body—outside of their hands or feet—touches the ground.

## QUALIFYING RULES

1. All first-place and second-place winners or athletes meeting this sport's NSGA minimum performance standards in competition at a 2026 NSGA qualifying games will qualify for the 2027 National Senior Games. Qualifiers will be determined by 18-hole (not two rounds of a 9-hole course) gross score played on a course with a minimum par of 70 and a United States Golf Association (USGA) slope rating between 119 and 126 for men and between 113 and 120 for women. Handicap scores are not acceptable for qualifying. Nine-hole gross scores are permitted only for those 90 and older. In competitions with more than an 18-hole competition, any single 18-hole score meeting the golf minimum performance standard will qualify a competitor for the NSGA tournament. For open state qualifiers, Rule H applies.
2. When multiple rounds (more than one 18-hole round, or 9-hole round for 90+ age groups) are conducted, the state organization must specify prior to the start of competition, how first-place and second-place winners will be determined for qualification purposes. Options are: 1) Top 2 Total Scores For All Rounds; 2) Top 2 Scores From Any Round; or 3) Top 2 Scores From a Specific Round.
3. Any NSGA Member Organization using a golf course that does not meet the NSGA slope ratings is required to complete and submit a waiver. The MPS may be adjusted.

This player will not be disqualified, but simply gets the maximum score for that hole equal to triple bogey.

## **APPENDIX A**

### **QUALIFICATION FOR THE NATIONAL SENIOR GAMES**

An athlete may qualify for the National Senior Games in several ways. An athlete can qualify by place or meeting the minimum performance standard for the event in their age division at a NSGA qualifying Senior Games. An athlete participating in a Games that allows out-of-state people to enter may also qualify through a process known as qualifying down. In Road Race and Cycling, an athlete may qualify through reciprocal qualification. Reciprocal qualification automatically qualifies an athlete in a second event when they qualify in a similar event. Finally, if certain circumstances exist an athlete may qualify using the limited opportunity rule. Since qualifying for the limited opportunity rule requires submission of a request form and written proof of performance these qualifiers are identified by the NSGA staff.

### **QUALIFYING BY PLACE**

Prior to the beginning of the qualifying year, the National Senior Games Association Board of Directors specifies the number of places that will qualify. The number of qualifying places is not the same for all events; for example, during the 2026 qualifying year, (qualifying for the 2027 National Senior Games) in most events the top four places qualify. In Golf, first- and second-place qualify; in Pickleball, first-, second-, and third-place in each age/skill division qualify; and in Triathlon and Road Race, all finishers qualify.

Some states require athletes to qualify at a local or regional game in order to participate in their state games. The state games qualifying rules may differ from the national rules. For more information, contact your state qualifying site.

### **QUALIFYING BY MINIMUM PERFORMANCE STANDARD (MPS)**

Minimum performance standards have been established for many of the individual events where the performance can be measured by time, distance, or score. An athlete does not have to meet both the placement and MPS in order to qualify—it is one or the other.

Sports which have minimum performance standards are: Archery, Golf, Swimming, and Track and Field. In these sports it's possible to have many qualifiers. If the top 10 participants all meet the minimum standard, all 10 qualify. The MPSs are recalculated after each National Game by the NSGA staff and board. These calculations follow an established formula.

### **QUALIFYING BY QUALIFYING DOWN**

State games have the option to be open or closed. A closed state does not allow athletes who are not residents of the state to participate in their games.<sup>1</sup> Open states allow out-of-state participants (OOS) and the qualifying down rule applies to these states. The NSGA sport rules specify that an out-of-state athlete cannot displace an in-state athlete from a qualifying place. In applying this rule if an out-of-state athlete places in a qualifying spot then an in-state athlete can be moved up to a qualifying place.

In doubles events where one player is in-state and one is out-of-state, the team is considered an out-of-state team. For qualifying team sports: Basketball, Softball and Volleyball, the team captain must specify the team's home state when registering for the Qualifying State Senior Games.

## 2027 National Senior Games

Closed states define an in-state resident in different ways. One state may consider people who live in a neighboring state but work in their state an in-state resident for senior games. One state established rules that anyone who ever lived or worked in the state would be allowed to participate in the state games.

Application of qualifying down process is best explained through the use of a chart.

Example 1: 4 places qualify.

<b>Athlete</b>	<b>Status</b>	<b>Actual Finishing Place</b>	<b>Place after Qualifying Down</b>	<b>Qualified</b>
Sue	OOS	1	1	Yes
Rachel	OOS	2	2	Yes
Linda	In-State	3	1	Yes
Betty	In-State	4	2	Yes
Cindy	In-State	5	3	Yes
Lisa	OOS	6	6	No
Karen	In-State	7	4	Yes
Sarah	In-State	8	Optional	No

Example 2: 3 places qualify

<b>Athlete</b>	<b>Status</b>	<b>Actual Finishing Place</b>	<b>Place after Qualifying Down</b>	<b>Qualified</b>
George	In-State	1	1	Yes
Horace	In-State	2	2	Yes
Tom	In-State	3	3	Yes
Dick	In-State	4	4	No
Harry	OOS	5	5	No
Adam	OOS	6	6	No
Bill	OOS	7	7	No
Jeff	In-State	8	Optional	No

Example 1 shows the top two finishers from out-of-state. Both of these individuals qualify by place. The third-place finisher is an in-state athlete and qualifies by winning third-place but through the qualifying down rule can be awarded an in-state first place. Since the first two places were won by out-of-state people, the in-state participants can be moved up two places. This allows Cindy, who finished fifth overall to be moved into an in-state third place and she is qualified. The same is true for Karen who moved to fourth place in-state.

Example 2, which shows three places qualifying and first second and third places were won by in-state athletes. These are the only three people who will qualify by place in this example.

<sup>1</sup> Closed states define an in-state resident in different ways. One state may consider people who live in a neighboring state but work in their state and in-state resident for senior games. One state established rules that anyone who ever lived or worked in the state would be allowed to participate in the state games.

## RECIPROCAL QUALIFICATION

In 5K/10K Road Race and Cycling, athletes may qualify in a second event by qualifying in a similar event. Specifically, in Road Race, if an athlete qualifies in the 5K Road Race, he/she is reciprocally qualified in the 10K Road Race. Reciprocal qualification works the other way also; if the athlete qualifies in the 10K Road Race, he/she is reciprocally qualified in the 5K Road Race.

## 2027 National Senior Games

Reciprocal qualification works in a similar fashion for Cycling events. An athlete qualifying in either of the Cycling time trials (5K and 10K) is reciprocally qualified in the other. An athlete qualifying in either of the Cycling road races (20K and 40K) is reciprocally qualified in the other.

### BONUS EVENTS

The Archery and Swimming qualification rules allow athletes to select certain events as bonus events.

For swimming, if an athlete qualifies in a Swimming event that has shorter distances using the same stroke, then the athlete may choose the shorter distance as a bonus event. For example, if an athlete qualifies in the 200yd freestyle that athlete may choose the 100yd and 50yd freestyle as bonus events. However, the athlete may not choose the 500yd freestyle because it is a longer stroke than the one event in which qualified.

An athlete may select bonus events when registering for the National Senior Games but may not exceed the limit of six events in which he/she may enter.

<b>QUALIFIED STROKE</b> <i>Bonus events must be of same stroke and lesser distance</i>	<b>BONUS STROKES</b>

For Archery the rule is, if an athlete qualifies in an Archery event, then the athlete may choose one additional style as a bonus event.

An archer may select one bonus event when registering for the National Senior Games but may not exceed the entry limit of two Archery events.

### LIMITED OPPORTUNITY QUALIFICATIONS

The Cycling road races (20K and 40K), Pole Vault, Road Races (5K and 10K), Triathlon and the following non-ambulatory sports – Bowling and Shuffleboard - are considered limited opportunity events. Athletes may qualify in limited opportunity events if his/her home state does not offer the event. The participation

## 2027 National Senior Games

- b. Foul lines: There should only be one line for pointing and shooting and the recommendation is 13' from the back wall. Players may step on but not have their foot completely over the foul line before releasing the pallino or the bocce ball.
  - c. The playing surface shall be reasonably flat and level and may consist of packed dirt, fine gravel, artificial surface or short grass. Players are to stand inside the court when rolling.
4. **Coin Toss:**
- a. To begin the game, flip a coin between the captains of each team. The winner of the coin flip will gain control of the pallino. The losing team chooses the color of balls it wants to use.
5. **Pallino Throw:**
- a. Coin toss winner will throw the pallino first. In subsequent games, the winner of the last game throws the pallino to start the next game.
  - b. Toss is valid when the pallino is placed between the center line and the far foul line without touching either line. The pallino must come to rest at a distance of at least one bocce ball's width from either side wall.
  - c. If the player fails to place the pallino in valid area, the opposing team will put the pallino in play.
  - d. If both players fail, it returns to the original team for an additional attempt. Alternating process continues until pallino is in valid position.
  - e. Once the pallino is in play, the pallino may be knocked anywhere on the court except back over the center line or out of the court. If this happens, the frame is considered VOID, play resumes at the same end of the court, and the same player throws the pallino.
6. **Bocce Ball Throws:**
- b. Balls must be thrown underhand with palm facing up or down. Volo shooting (lofting the ball in the air beyond center line of the court) is not permitted.
  - a. All balls are thrown from behind the foul line. Players may step on but not over the foul line before releasing the pallino or a bocce ball.
  - b. Players may use side boards at any time.
  - c. A bocce ball that goes out of the court, for any reason, is a dead ball and is removed from play for that frame.
  - d. A ball that hits the back wall without first making contact with another ball or the pallino, is considered a dead ball and will be removed from play for the remainder of that frame.
  - e. Only the team captain will be allowed to approach, but not cross, the center line to look at balls during an inning. Each team captain will be allowed to do so twice per match. Additional looks can be made as long as it is agreed upon by the captain of both teams.
7. **Order of Play:**
- a. The Team that originally tossed the pallino will play the first ball. If the first ball hits the backboard without hitting the pallino first, the ball is removed, and the player throws again until a ball is in play.
  - b. Each subsequent ball is thrown by the player who does NOT have a ball closest to the pallino. If a player's ball ties the opponent's closest ball, he/she must throw again. The "IN" player (player with the closest ball to the pallino) only throws if the opponent has thrown all 4 balls and may then throw all remaining balls.
  - c. When all balls have been played, this concludes the frame.
8. **Measuring:**
- a. In the event a ball/balls are moved during a measurement by an official or scorekeeper, the ball(s) will be returned to their approximate position(s) before a ruling is determined.
  - b. Only one person from each team is allowed on the court during measuring.
9. **Ties:**
- a. In the event of a tie after all balls are played, no points are awarded and play resumes with the team last scoring tossing the pallino from the opposite end of the court.

10. **Scoring:**

- a. Only one team scores in a frame (unless there is a tie, in which case, no one scores).
- b. Teams are awarded one point for each of its balls that are closer to the jack than the closest opposing team. Thus, a team may score up to four points per frame.
- c. Each game is divided into a maximum of 5 frames OR first to score 10 points, whichever comes first. If the score is tied after 5 frames, one additional frame will be played. NSGA and the Tournament Director reserve the right to change the tournament format.

### 2. **Field Dimensions**

- a. Dimensions of the playing field will be 25 x 70 yards with two 10-yard endzones and a 50-yard field of play. NSGA reserves the right to modify these dimensions based on available field space.
- b. 'No Run Zones' are located 5 yards on either side of midfield, and 5 yards prior to the opponent's endzone. 'No Run' Zones are in place to prevent teams from conducting run plays. While in the 'No Run' Zones, teams cannot run the ball across the line of scrimmage. All plays must result in a forward pass across the Line of Scrimmage.

### 3. **Equipment**

- a. Men's teams will play with Adult-sized balls and Women's teams will play with Youth-sized balls. Ball dimensions will be in compliance with the chart found in the USA Football (5's) Flag Rulebook.
- b. NSGA will provide all flags. Athletes must use the provided flags without modifying them.
- c. Every effort shall be made to keep one flag on each hip of the player. The sockets shall be placed facing outwards and downwards. The flags shall be clearly visible, hang down freely and must not be covered in any way by the player's uniform.

### 4. **Flag Pulling**

- a. A legal flag pull takes place when the ball-carrier is in full possession of the ball.
- b. Defenders can dive to pull flags but cannot tackle, hold or run through the ball carrier when pulling flags.
- c. It is illegal to attempt to strip or pull the ball from the ball carrier's possession at any time.
- d. If a player's flag inadvertently falls off during a play while that player has possession, the player is down immediately and the play ends. The ball is placed where the flag lands.
- e. If a player who has one or no flags on their belt takes possession of the ball, the play is dead at that spot on the field.
- f. A defensive player may not intentionally pull the flag(s) off a player who is not in possession of the ball.
- g. Flag guarding is an attempt by the ball carrier to obstruct the defender's access to the flags by stiff arming, dropping the head, hand, ball, arm or shoulder or intentionally covering the flags with the football jersey.

### 5. **Game Play**

- a. At the start of each game, captains from both teams meet at midfield for the coin toss to determine who starts with the ball. The visiting team calls the toss.
- b. The winner of the coin toss has the choice of offense or defense. The loser of the coin toss has the choice of direction. There is no option to defer. Teams will automatically switch sides of the field and the team that started the game with possession will begin the 2<sup>nd</sup> half on defense.
- c. The offensive team takes possession of the ball at its 5-yard line and has four (4) downs to cross midfield. Once a team crosses midfield, it has four (4) downs to score a touchdown.
  - i. If the offensive team fails to cross midfield on 4th down, the ball changes possession and the new offensive team starts at its own 5-yard line.

## 2027 National Senior Games

- ii. After crossing midfield, if the offense fails to score on 4th down, the ball changes possession and the new offensive team starts at its own 5-yard line.
6. **Pace of Play**
- a. Games will be played on a 40-minute continuous clock with two 20-minute halves and a 5-minute halftime period. Each team will receive one 60-second timeout per half. There will be no timeouts in overtime.
7. **Scoring**
- a. Touchdowns will count as 6 points. Teams that score a touchdown will have the option to attempt a 1-point conversion (from the 5-yard line) or a 2-point conversion (from the 10-yard line), but they must declare their intent.
  - b. Because of the No-Run Zone, a 1-point conversion is pass-only. A 2-point conversion can be run or pass.
  - c. Mercy Rule will go into effect when one team is ahead by 33 points. At this time the game will end, unless both teams agree to continue play without changing the score.
8. **Overtime**
- a. If the score is tied at the end of regulation play, an overtime period will be used to determine the winner. Overtime format is as follows:
    - i. Home team calls the coin toss to determine the team that chooses to be on offense or defense first.
    - ii. In the first overtime, each team will have one (1) chance to possess the ball with 4 downs from mid-field to score. At the end of the first overtime period, the team with more points will win. If the defense intercepts the ball and scores, then the overtime period is over.
    - iii. If the score remains tied after the first overtime, a second overtime will be played. The team who lost the first overtime coin toss will choose whether they start on offense or defense for the start of the second overtime.
    - iv. In the second overtime, each team will alternate possessions starting from the defense's 5-yard line for one point or from the defense's 10-yard line for two points.
    - v. The overtime ends when the first team scores.
9. The ball is spotted where the ball is when the flag is pulled.
10. Only 1 forward pass, thrown from behind the line of scrimmage, is permitted each offensive play. The ball must be released prior to crossing the line of scrimmage. There can be unlimited backward passes and direct handoffs but they must occur behind the line of scrimmage.
11. When receiving a catch, A player must have at least one foot or other body part in bounds, contacting the ground first with possession. Stepping on the boundary line is considered out of bounds.
12. The quarterback has 7 seconds, from receiving the snap, to release the ball. If the 7 seconds expires while the quarterback still has the ball, the play is blown dead, a down is lost and the ball is returned to the line of scrimmage as if an incomplete pass occurred.
13. The Quarterback receiving the snap cannot run across the line of scrimmage with the ball. They can hand off or pitch/throw the ball backwards to a teammate and then catch a forward pass across the line of scrimmage.
14. A maximum of 2 designated defensive rushers may legally rush the quarterback. All designated rushers must identify themselves, with their hand raised until the snap, to legally rush starting from 7 yards behind the line of scrimmage. Offensive players must steer clear of the rusher and may not get in his/her way. Designated rushers are not obligated to rush, but if they do, they must rush immediately upon the ball being snapped.
15. Once the ball is handed off, pitched or thrown backwards by the offense, all defenders are eligible to rush across the line of scrimmage.

16. Interceptions are returnable for 6 pts. during regular game play or for 2 pts during conversion attempts and/or overtime. A backwards pass intercepted in the air, behind the line of scrimmage, can also be advanced by the defense for a score.
17. The ball is dead when it hits the ground, the ball-carrier's flag is pulled from their belt or falls out, the ball-carrier steps out of bounds, or the ball-carrier's body—outside of their hands or feet—touches the ground.
18. **Attire:** Legwear with pockets is discouraged. Additionally, legwear color cannot be the same color as the flags.

### SAFETY RULES

Safety is the most important consideration in all shooting activities. It is imperative that all competitors know all the rules for safe gun handling and observe them at all times. Any shooter deemed a safety hazard to themselves, or others may be denied the opportunity to shoot. All competitors must abide by and follow these safety rules, or they may not be permitted to compete:

- a. Always keep the gun pointed in a safe direction.
- b. Always keep your finger OFF the trigger until ready to shoot.
- c. Always keep the gun unloaded until ready to use.
- d. Always wear eye and ear protection when live-fire is in progress.
- e. Follow all commands of the Range Safety Officer (RSO) in charge.
- f. Keep all firearms unloaded and cased until directed otherwise by the RSO in charge.
- g. Do not eat, drink or smoke while shooting.
